

**MLTS Candidate Snowplay Experiences
Recommended for Consideration by the USFS
For mammothtrails.org - New Content Development
Winter 2015-2016**

1. Borrow Pit (TSMP Winter Recreation Node Table 4-3)

PROS

- Large parking area
- Large, open, flat area
- Easily accessible
- Public transit stop nearby

CONS

- No bathrooms

2. Mammoth Creek Park, East (TSMP Winter Recreation Node Table 4-3)

PROS

- Large, open, flat area
- Easily accessible
- Public transit stop nearby
- Access to the MUP
- Loop experience: Mammoth Creek Road to Sherwin Creek Road

CONS

- Marginal/not necessarily plowed parking area

3. Mammoth Creek Park, West (TSMP Winter Recreation Node Table 4-3)

PROS

- Flat area, good for young children
- Public transit stop nearby
- Fence separating park from Old Mammoth Rd.
- Maintained/plowed parking

CONS

- City has posted signs that playground is closed

4. Mill City (TSMP Winter Recreation Node Table 4-3)

PROS

- Easily accessible from town
- Variety of types/levels of snowplay
- An alternative to Lake Mary Road use conflict
- Snow-covered road provides open path for novice users to follow
- Cited in USFS ““Winter Recreation – Talking Points, Rules, and Regulations” Press Release from Winter 2014-2015

CONS

- No public transportation
- Minimal parking
- No facilities
- Increased vehicle traffic on Old Mammoth Rd.

5. Scenic Loop (Not identified in TSMP Winter Recreation Nodes)

PROS

- Close to town
- Variety of types/levels of snowplay
- Cited in USFS “Winter Recreation – Talking Points, Rules, and Regulations” Press Release from Winter 2014-2015
- Not heavily travelled
- Ample off highway parking

CONS

- Congestion on Scenic Loop/HWY 203 junction
- No facilities
- Additional signage is needed to encourage users to snowplay and park away from the blind corner.

6. Deadman Summit Hill (Not identified in TSMP Winter Recreation Nodes)

PROS

- Ample parking
- Variety of snowplay terrain
- Cited in USFS “Winter Recreation – Talking Points, Rules, and Regulations” Press Release from Winter 2014-2015

CONS

- No facilities
- Several user groups
