

## **HIRING NOW**

### **Project Specialist**

The Mammoth Lakes Trails and Public Access Foundation (MLTPA) is seeking energetic, motivated applicants interested in serving as a Project Specialist. A successful applicant will provide project management assistance, be familiar with the Mammoth Lakes Trail System, comfortable collecting field data and using GPS, GIS and ESRI systems, provide research for funding and grant opportunities, provide support for public meetings and outreach and be local to either Mammoth Lakes or the Eastern Sierra. Demonstrated familiarity and expertise with computer platforms and software, especially Microsoft Office; online tools including content management systems (CMS); cloud-based data storage systems; and ArcGIS. Flexible work schedule, compensation commensurate with experience, benefits. Your passion for sustainable outdoor recreation will be a major plus.

**Please send inquiries and resume to [hr@mltpa.org](mailto:hr@mltpa.org)**

Founded in 2007, MLTPA's mission is to ensure trails remain a local and regional priority, with a specific focus on the implementation of the four-season Town of Mammoth Lakes Trails System Master Plan through planning, management and communications, Master Plan execution, advocacy, community stewardship, and a stable organization.
