

MLTPA Foundation  
Job Description

**Trail Host:**

As a physical presence on the trails, MLTS Trail Host members' main goal is to help users have fun. Equally as important, members are tasked with providing standardized, accurate and current information to trail users, sharing their knowledge of local the geography, reporting maintenance issues to land managers, and offering basic first aid supplies.

This position is primarily holidays and weekends when trail use and visitation is high.

**Duties:**

- Engage with the public, answer questions, clarify any misinformation and distribute informational handouts as needed
- Share local knowledge about the area or specific trails that can be accessed from your given location
- 'Hang out' at designated fixed stations and/or ride specific trails interacting with users
- Collect information such as user interactions, maintenance issues, general trail conditions and assistance administered via MLTS GIS application called 'collector'
- Offer first aid supplies and offer to call for more definitive help. The user will administer their own first aid
- Other duties as assigned by the CEO in support of Mammoth Lakes Trail System Activities, which may include both in-office and field work assignments

**REQUIREMENTS:**

- Obtain CPR/First Aid certification within 30 days of employment
- Be well versed on the policies of land managing agencies (USFS, MMSA, TOML)
- Be familiar with all MLTS programs and current projects - Knowledge of past and future projects a plus
- Geographic knowledge, to include, the local flora, fauna, history, culture, and fire
- Own a personal cellular phone for use during shift and the ability to use GIS technology on the MLTS iPad or personal smart phone
- Attend all training events and activities
- Demonstrated participation, interest in, and knowledge of outdoor recreation activities
- Follow any current regulations for COVID-19 and the MLTS Outdoor Operations COVID protocols
