

**Mammoth Lakes Recreation**  
A Vision for Recreation in Mammoth Lakes  
and a  
Strategic Plan for its implementation

The Mammoth Lakes Trails and Public Access Foundation (MLTPA) proposes to convene a process to benefit the community of Mammoth Lakes and those agencies, commissions, stakeholders, and user groups with an interest in recreation in the Mammoth Lakes Region. This facilitated process will work to articulate a Vision for recreation in Mammoth Lakes and a Strategic Plan for its implementation. This process is consistent with the "Recreation Vision and Policy Development" document (attached) as previously submitted to the Town Council. It is anticipated that this process will benefit interagency collaboration, direct the development of recreation infrastructure in the region, and may be used to inform the strategic implementation of both Measures "R" and "U".

MLTPA appreciates the need for this process to get underway in a timely manner and to have work completed expeditiously. With this in mind, MLTPA is setting a project timeline goal of approximately 3 months.

MLTPA has a documented history of convening such efforts including the "Strategic Conference and Public Meeting (2006)", "CAMP: Summer (2007)" and "CAMP: Winter (2008)", both CAMP efforts being part of the update to the Mammoth Lakes Trail System Master Plan that MLTPA successfully initiated and that is now being prepared for final adoption by the Town. Most recently, MLTPA was recognized for its roll in convening the Sherwins Working Group and the group's final deliverable, the Sherwin Area Recreation Plan, or SHARP.

MLTPA will be contacting representatives of agencies, commissions, stakeholders, private citizens and user groups over the next several weeks to advise on the structure and timing of the program and to solicit participation.

We at MLTPA are very much looking forward to this opportunity and to the benefits that it may bring to the community of Mammoth Lakes and to the unique recreation opportunities of the Mammoth Lakes region.
