Why Come?

It's no secret that Eastern Sierra communities are the gateway to some of the best natural resources and recreation around. It's a reason many of us live here and why so many people come to visit. But this also brings unique challenges to our land and region.

What is Your Role?

As a "recreation stakeholder" your role is to bring your thoughts about the challenges facing your area along with ideas for improvements to the recreation infrastructure and programs in your community and our beloved Eastern Sierra.

What is the Sustainable Recreation & Tourism Initiative?

The Sustainable Recreation & Tourism Initiative is a grant-funded, multi-year effort coordinating public input to inform a regional recreation strategy and future projects.

**BRING YOUR IDEAS FOR IMPROVEMENTS
TO RECREATION INFRASTRUCTURE AND
PROGRAMS IN YOUR AREA!**

Make sure what's important to you gets heard!
