Miles of snow-covered roads and play areas are open to snowmobiles and over snow vehicles (OSV) in the Mammoth, June, and Lee Vining areas. A variety of terrain, from wide-open meadows, forested areas and the groomed OSV network provide opportunities for all skill levels. Trails that are specifically designated for snowmobiling are marked with orange diamonds and groomed by Inyo National Forest and commercial guide service providers. In addition to the groomed OSV trail network, there are approximately 150,000 acres open to over snow vehicles equipped and prepared to travel off the maintained trail system.

TRAIL ETIQUETTE & SAFETY
PLEASE ENJOY THIS MULTI-USE TRAIL SYSTEM RESPONSIBLY

The National forests are the lands of many uses - and many users. People traveling by skis, snowshoes, winter fat bikes and snowmobiles will share the same routes and areas.

- Respect other trail users. Be courteous and yield right of way. All users yield to grooming machines.
- All multi-use trails are two-way traffic. Please stay on the right-hand side of the trail. Pass on the left.
- Beware of blind turns! Slow down for oncoming traffic. Speed limit in slow zone areas is 15 mph. Please avoid all roads or areas posted with closures or restrictions, or as shown closed on map.
- Keep dogs leashed at all times. Pick up and dispose of all dog waste on and off trails. Littering is prohibited by law.
- Winter travel in the backcountry requires proper gear and appropriate clothing. Be self-sufficient!
- Use extreme caution when recreating at night. Be visible and use the brightest lights you can find.
- Winter Fat Bikes (3.8” wide tires or wider with low tire pressure) are allowed on all groomed trails outside of ski areas.
- If winter fat biking leaves a rut deeper than 2 inches and/or you can’t ride in a straight line... it’s too soft to ride!
- FEES ARE NOT ALLOWED on any non-motorized trails or Nordic Recreation Areas (Shady Rest, Obsidian Dome, Tamarack).
- Crossing two-lane plowed roads at right angles is permitted.
- Crossing four-lane plowed roads is prohibited unless otherwise posted.
- All snowmobiles must display a current state registration sticker to operate on National Forest lands. www.fs.usda.gov/recarea/inyo/recarea/?recreaID=80125
