MAMMOTH CROSSING JOINS THE MLTPA/MLCC DEVELOPERS' FORUM WITH A \$25,000 COMMITMENT AT CAMP: SUMMER

Mammoth Lakes, CA—The Mammoth Lakes Trails and Public Access Foundation (MLTPA) announced today that Mammoth Crossing Development, LLC, developer of the Mammoth Crossing project at the northwest intersection of Main Street and Minaret Road in Mammoth Lakes, CA, joined the **Developers' Forum** on Friday, November 2, 2007, by presenting a \$25,000 check at a special **CAMP: SUMMER Developers' Forum** reception at Canyon Lodge. Mammoth Crossing joins Cardinal Investments ("The Sherwin") and Starwood Capital ("The 1 Hotel," "Eagle Lodge," TK, and TK) as partners in this co-venture between MLTPA and the Mammoth Lakes Chamber of Commerce.

"The Mammoth Crossing Development (MCD) team recognizes the importance and value of an integrated trail system in Mammoth," says Mark Deeds of MCD. "Members of the MCD planning and design team plan to contribute during the Concept and Master (trail) Planning Process (CAMP), and look forward to working with MLTPA during the District Planning process."

"TK," says John Wentworth, President and Acting Executive Director of the MLTPA Foundation. "TK."

The stated goal of the **Developers' Forum** is to create a source of information and a means of communication between builders, developers, and the Mammoth Lakes community relevant to trails and public access issues in Mammoth Lakes and the immediately surrounding region. The invitation-only Friday night reception brought together real estate agents, developers, and other interested parties to share in the **CAMP (Concept and Master Planning)** experience and to encourage their participation in this landmark trails-planning effort.

CAMP: SUMMER—a free, multi-day public workshop on summer trails and recreation in Mammoth Lakes—was the first of many opportunities for the community to participate in the trails and public access Concept and Master Planning (CAMP) process via interactive exhibits, tours, community and user group meetings, and workshops. **CAMP: WINTER**, a similar workshop devoted to winter recreation and trails in Mammoth Lakes, is scheduled to take place January 31–February 3, 2008.

The Mammoth Lakes Trails and Public Access Foundation (MLTPA) is a 501(c)(3) public benefit corporation dedicated to trails and public access issues in Mammoth Lakes, CA, and the immediate Eastern Sierra region. MLTPA partners with local jurisdictions and agencies, businesses, nonprofits, and individuals to connect people to nature and to provide a forum for all trail users to be involved.
